EXPERIENCE

Special Educator

Basil Woods International School

05/2024 - 04/2025 Bengaluru, India

- Solely responsible for three Grade 1 students with autism and behavioral challenges as their dedicated SEN teacher
- Assessed students' individual needs and developed a strong rapport for effective teaching
- Customized lessons and created differentiated worksheets based on each student's ability, ensuring accessibility across core subjects under the Cambridge curriculum
- Developed Individualized Education Plans (IEPs) addressing academic and behavioral goals
- Maintained consistent parent-teacher communication through meetings and progress reports
- Collaborated with shadow teachers and the inclusion department to enhance student learning outcomes
- Integrated sensory and movement breaks to support students with ADHD in self-regulation and focus
- Contributed to the development of tailored learning strategies for students with special needs

Special Educator Intern

Akshadhaa Foundation

07/2023 Bengaluru, India

- Supported the development of customized teaching methodologies to meet the diverse needs of students with disabilities
- Fostered an inclusive learning environment that encouraged active engagement
- Adapted curriculum materials to meet individual learning needs
- Used positive reinforcement techniques to motivate and support students
- Facilitated extracurricular activities to enhance social and practical skills

Psychiatric Social Worker Intern

Lourdes Hospital

11/2022 - 12/2022 Ernakulum, India

- Assisted in gathering and organizing case histories during psychiatric assessments under clinical supervision
- Received training in recognizing symptoms, causes, and management of psychiatric disorders
- Assisted in documenting doctor-patient communication techniques for effective patient care
- Organized daily physical exercises and recreational activities for inpatients
- Facilitated support groups for families of psychiatric patients

SUMMARY

Dedicated and compassionate Social Work professional committed to making a significant impact in mental health and special education.
