PROFILE

Driven and multilingual Psychology undergraduate specializing in Clinical Psychology and Biopsychology, with a strong academic record and a proven ability to adapt, problem-solve, and collaborate in diverse settings. Currently studying at Rochester Institute of Technology in Dubai, I bring a unique blend of analytical thinking, creativity, and cultural fluency in Arabic, English, and French. My experiences ranging from research roles in Model United Nations to competitive chess reflect a passion for strategic thinking, intellectual curiosity, and effective communication. I'm motivated to apply my knowledge and skills in roles that challenge me and make a meaningful impact.
