OBJECTIVE

Dedicated and compassionate medical professional with a strong commitment to advocating for women's causes. Driven by a passion for supporting vulnerable populations, I seek to volunteer at a women's shelter where I can contribute my skills in healthcare, communication, and advocacy to empower and uplift women in need. With a background in patient-centered care and a deep understanding of the challenges facing women today, I aim to provide meaningful support in a collaborative and empathetic environment.

EDUCATION

Master of General Medicine (MUDr.) | Charles University, First Faculty of Medicine, Prague 2018 – 2024

Multiple academic scholarships awarded over the years.

HSSC | Our Own English High School, Dubai Class of 2018

12th Boards – 91%

Matriculation – CGPA 10

Leadership positions – School Prefect, House Prefect

EXPERIENCE

Pre-Clinical Medicine Coordinator | LF1MEDSOC

2021 – 2022

Part of a team that organized 7 academic workshops, 2 seminars, a book sale, interviewed and trained fellow students as tutors, created, and maintained a google drive of study resources and published workshop booklets.

Organising Committee Member | European General Practice Research Network

OCTOBER 2023

Assisted in organizing the 97th meeting of the EGPRN council members in Prague as a student volunteer.

Clinical Attachment – Internal Medicine | Dubai Health Authority – Rashid Hospital

SEPTEMBER 2023

Completed a clinical attachment at one of the largest hospitals in the UAE where my activities included participating in meetings, ward rounds, journal clubs, teaching sessions, acquiring basic clerical skills and observing numerous clinical procedures over a two week period.

Anatomy Dissections Demonstrator | Department of Anatomy, First Faculty of Medicine

2022 – 2023

Taught students anatomical structures on cadavers and helped prepare them for their exam.

Year Representative and Team Member | Mental Health and Wellbeing team at LF1MEDSOC

2021 – 2022

Served as the first point of contact between students in distress and the appropriate mental health professionals. Organised and participated in multiple social events that encouraged discussions about healthy habits, coping strategies and mental health issues commonly experienced by students.

Workshop Tutor | Multiple Pre-Clinical subjects with LF1MEDSOC

2019 – 2023

Anatomy, Histology, Embryology, Physiology, Biochemistry – taught in 9 workshops over 4 years.

Internship | Department of Cardiovascular Surgery - General Teaching Hospital, Prague

JUNE 2022

Daily evaluation of patients in my assigned ward, ICU rounds, assisting in the Operating Theater

Teaching Assistant | Department of Physiology, First Faculty of Medicine

2020 – 2021

Taught theoretical topics covering most organ systems.

Teaching Assistant | Department of Histology and General Embryology, First Faculty of Medicine

2019 – 2021

Explained histological slides to first year students weekly for 4 semesters.

Lecture Tutor | United International Medical Schools

2021

Taught topics in Pathophysiology for a Youtube Lecture Series.

Patient Care - Internship | General Teaching Hospital, Prague

SEPTEMBER 2020

Performed many small clinical procedures, see list below.

CLINICAL SKILLS

Administering ALS and BLS

Basic phlebotomy and cannulation

Basic phlebotomy

Administering Intravenous and Intramuscular injections
