1st Place in Saint Gobain Student Architectural Contest UAE National Stage 2024 | Represented UAE on the International stage at Helsinki Finland 2024 | Architectural Student

I am currently a fourth-year bachelor architectural student at Manipal Academy of Higher Education (MAHE). As an architectural student and a future licensed architect, I want to be able to create sustainable environments and spaces for individuals especially Urban Planning with the icing on the cake: Making them Smart Cities

## AREA OF EXPERTISE

Architecture  
Urban design

Interior Design  
Designer

Urban planning

## KEY ACHIEVEMENTS

- **1st Place Saint Gobain Architectural UAE Student Contest.** The competition project envisions a sustainable and innovative development that respects the natural characteristics of the area while addressing the needs of students and researchers. It includes the renovation of an existing building to host researchers and the construction of a new residential building. The design adheres to technical guidelines provided by Saint-Gobain, ensuring both environmental and technical compliance.
- **University Prize.** Issued by Manipal University Dubai, Outstanding Academic excellence at the Unbuilt visions 2023

## PROFESSIONAL EXPERIENCE

### Realistic Management Consultancy (RMC) | Administrative Assistant

July 2023 - Sep 2023

- Attending meetings, planning the schedules
