Profile Summary

Dedicated and compassionate Child Psychologist and Educational Supervisor with over 7 years of experience supporting children's cognitive, emotional, and social development. Skilled in creating individualized learning programs tailored to each child's unique needs and interests. Experienced in working with children with Autism Spectrum Disorder (ASD), Cerebral Palsy (CP), and other developmental challenges. Committed to fostering inclusive, nurturing, and engaging environments where every child can thrive.

Professional Experience

Child Psychologist / Educational Supervisor

Atreyas Nabavi Charity Orphanage – Shiraz, Iran | Dec 2019 – Sep 2025

- Supervised and trained a team of educators to ensure individualized developmental programs for each child.
- Conducted psychological assessments and provided guidance to improve emotional and behavioral outcomes.
- Developed structured play-based educational programs to enhance cognitive, social, and motor skills.
- Collaborated with caregivers and therapists to promote holistic child development.

Special Needs Instructor

Bahar Rehabilitation Center – Shiraz, Iran | Sep 2018 – Dec 2019

- Supported children with Cerebral Palsy (CP) in achieving developmental milestones through specialized methods.
- Designed adaptive learning activities integrating physical, behavioral, and cognitive training.
- Collaborated with a multidisciplinary team to track progress and adjust intervention plans.

Autism Center Instructor

Autism Rehabilitation Center – Shiraz, Iran | May 2017 – Sep 2018

- Conducted individualized programs for children with Autism Spectrum Disorder (ASD).
- Applied evidence-based interventions (ABA principles) to support behavioral and adaptive functioning.
- Provided parent guidance and progress reports to ensure consistent support at home and school.
