SKILLS

- Project Management
- Passion
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

PROFILE

I'm a high school student with a genuine passion for working with children and understanding how they think, feel, and grow. I hope to become a pediatric doctor one day, and I'm eager to gain hands-on experience in real-world environments that go beyond the classroom. I'm especially drawn to inclusive spaces where every child feels seen, supported, and valued. I bring curiosity, empathy, and a calm, patient presence — always ready to learn and contribute wherever I'm needed.

WORK EXPERIENCE

- **Monitoring Assistant - Misbar Network** 2020-2022
 - Supported daily operations in a media-focused environment
 - Assisted with monitoring content, data, or trends across platforms
 - Gained exposure to basic business processes and digital tools
 - Developed a strong sense of responsibility and time management
- **Family caregiver** 2020-2025
 - Childcare Experience
 - Family Caregiver
 - Regularly babysit younger brother after school.
 - Assist with schoolwork, emotional support, and daily routines.
 - Built a strong sense of responsibility, patience, and empathy through this daily role.

WORK EXPERIENCE

- **Winner - iOS Design Challenge** 2024
 - Apple Education Initiative
 - Awarded first place in a national app design competition and received a MacBook.
 - Developed an app focused on student needs, combining user experience with accessibility.
 - Gained valuable skills in creative problem-solving, design thinking, and tech for impact.
 - Independent App Developer
- **Leadership Roles - Sharjah American International School**
 - Minister of Education, Student Government Association (SGA)
 - Led student-focused academic initiatives and helped coordinate peer-support programs.
 - Director, Diversity Club
 - Promoted inclusive dialogue and activities across the student body.
 - Active member of 11 school clubs, including Wellness, STEM, and Community Service.
 - Gained experience in teamwork, communication, and organizing events.
- **170-Hour Coding Program** 2024-2025
 - Completed a self-directed coding bootcamp, learning Swift, app structure, and user interface design.
 - Successfully built and launched a fully functioning app independently.
 - Strengthened focus, discipline, and innovation through hands-on work.
