## PROFILE

A creative and determined individual with a genuine passion for leadership and diplomacy. Each MUN and school initiative has been an opportunity to grow, collaborate, and refine strong communication and organizational skills. Despite my lack of years of experience, I was able to land a chair position early on because of my ability to adapt and learn quickly. I'm eager to bring my enthusiasm, fairness, and energy to MASMUN to ensure an engaging, productive, and inclusive debating environment.

## WHY I WANT TO BE A CHAIR

MUN has been such a transformative experience for me. It's helped me grow in confidence, public speaking, and as a person overall. Now, I want to give back by creating a supportive, engaging environment for delegates, one where they feel encouraged to participate and grow, just like I did.

## SKILLS

- Strong public speaking and communication skills
- Conflict resolution
- Team leadership
- Organization and time management skills
- creativity
- reliability
