## PROFILE

I'm a Psychology with Criminology Undergraduate in Middlesex University who enjoys exploring how people think, behave, and interact with the justice system. Through coursework and research projects, I've gained experience in designing studies, analyzing data, and presenting findings clearly. I work well in collaborative environments and pay close attention to detail, whether I'm conducting interviews or reviewing literature. I'm excited to apply what I've learned in an internship or research role, contributing fresh ideas while growing my skills in forensic and social science research.
